

Central District Dental Hygienists Society
Present
Ashley Graves and Kaitlyn Becker
LCC Dental Hygiene Student Recipients
of the
Dorothy Below Leshner Scholarship

Please join us for dinner to honor these highly achieving students and enjoy our speaker:

Dr. Eliza Ghezzi, DDS, PhD for 1.5 CEU's on "Myths about Aging Teeth and Role of the Health Care Team."

There is much misinformation about the impact of aging and disease processes on oral health. The oral health care providers have an important role to collaborate and lead the healthcare team through education and advocacy for appropriate care.

This presentation will review the impact of aging and disease on oral health as well as discuss the role of hygienists in the healthcare team addressing oral health for the aging.
