

Dental Seminars and Consulting PLLC next seminar!

Friday, December 5, 2014

Public Health
Prevent. Promote. Protect.
Muskegon County

“Dental Ergonomics through Physical Therapy” and “Tracking Narcotics Prescriptions with MAPS”

. Physical Therapist Kristy Schaffer, DPT will show us how to prevent injuries and give us specific exercises to do so that we can maintain a healthy body while working in a physically stressful environment! Jill Montgomery Keast, MPA, will discuss how the dental professional can use the Michigan narcotics tracking system to check whether or not a patient is filling multiple prescriptions for narcotics. What’s the latest in Muskegon county regarding abuse of prescription drugs?

“Muskegon Volunteer for Dental Care update”

from Suzanne Tanis, Program Coordinator and Jackie Lindrup, Director – grant funding, first year data, and patient stories from this innovative program supported by local dental offices!
