Biography

Amy Hazelwood, RDH, BS has been practicing clinical hygiene in Indiana and Michigan for over 30 years. This member of ADHA, is a nationally-featured author and speaker. A Distinguished Alumni of Indiana University South Bend, Amy has over 30 years experience as a merit status part-time associate lecturer in clinical and preventive dentistry at Indiana University South Bend. As a 20 plus-year veteran lecturer from coast to coast, Amy's interests include preventive dentistry. Amy has been featured on The Doctors and is the lead-hygienist in a 4-dentist, 12-hygienist practice, she brings a wealth of scientific and practical experience to her audiences.

"Put this dental science and experience to use on Monday!"
Amy Hazelwood, RDH, BS
