

East Shore is Proud to offer:

“Emergence of Infectious Disease in the Dental Patient”

Presented by Dr. Sanjay Chand

2 CEU's on Wednesday, May 15th, 2019 6pm-9pm

Location: Italian American Cultural Society; 43843 Romeo Plank Road, Clinton Township, MI 48038

Sanjay Chand MD, clinical associate professor, division of integrated biomedical sciences, University of Detroit Mercy completed his MD in Medicine with an emphasis in infection control. Dr. Chand brings a medical perspective to the practice of dentistry, linking oral manifestations to systemic disease. Dr. Chand is the director of infection control at the School of Dentistry, oversees best practice at the Dental school, and is responsible for infection control policies and their implementation in accordance with CDC guidelines. He is the Director of Dental, Dental Hygiene, Physician Assistant, and Nurse Anesthesia courses at the University. Dr. Chand is a popular speaker at many Continuing Education talks at national and international conferences. His area of expertise includes infection control and chronic disease management in the dental patient.
