

East Shore Dental Hygienists' Association Proudly Presents:
All Day Seminar on Friday, March 11th 8am-3pm at O'Halloran's Public
 House and Hall 112 Macomb Pl, Mt. Clemens MI 48043

“Implicit Bias: Strategies to Increase Equitable Oral Health Care Access & Outcomes”

A 3 CEU course featuring Speakers Juliette Daniels Ed.D and Bailey Anderson, BS, RDH

“Pain Management in Dentistry; an Update”

A 2 CEU course featuring speaker Sanjay Chand, M.D.

AM Session Implicit Bias Course Objectives:

1. Define implicit bias, unconscious bias, health justice, cultural humility and cultural sensitivity.
2. Recognize how bias impacts health equity, and race-based health outcomes.
3. Understand how health equity and justice impact patient care outcomes in primary care and oral health care.
4. Integrate self-awareness of one's own unconscious bias to improve patient care outcomes, reduce disparity, and further professional growth.

PM Session Pain Management Course Objectives:

1. Discuss and identify commonly prescribed opioids and new prescribing guidelines in a dental setting.
2. Dispel misconceptions and develop awareness of the consequences of opioid use in dental case scenarios.
3. Recognize different types of opioid misuse.
4. Identify and discuss ADA recommendations for opioid use in the dental practice.

Implicit Bias Speakers

Bailey Anderson, LMSW

Ms. Bailey Anderson is a clinical social worker with experience in a clinical setting implementing Cognitive Behavioral Therapy (CBT) and Acceptance and Commitment Therapy (ACT). Ms. Anderson also has experience with anti-oppressive/racist social work, and has worked as an advocate for sexual assault and domestic violence survivors.

Ms. Anderson received her BA in International Studies and English Literature from Loyola University of Chicago and went on to complete a MA in Social Work at the University of Michigan. She is currently a Personal Counselor and Wellness Coordinator at the University of Detroit Mercy and provides services for the dental and hygiene students.

Juliette Daniels, Ed.D. has been the Assistant Dean for Student Services and Enrollment Management at the University of Detroit Mercy School of Dentistry for almost 10 years, and has a background in Educational Program Coordination when she held the position of Educational Program Coordinator at Michigan State University. Dr. Daniels has served as a guest lecturer at Tufts University School of Dental Medicine and an instructor at UDM.

Dr. Daniels received a Doctorate of Education from Gwynedd Mercy University with a focus in Education Leadership in Higher Education. Previously, Dr. Daniels received a MA from MSU with a focus on Student Affairs Administration, and holds a BS in Marketing and Business Administration from DePaul University.

Juliette Daniels, Ed.D.

Pain Management Speaker

Sanjay Chand, M.D.

Dr. Sanjay Chand has specialized in Medicine with emphasis on infection control. He is Clinical Associate Professor at the University of Detroit Mercy's School of Dentistry. Dr. Chand brings a medical perspective to the practice of Dentistry. Dr. Chand is Director of Infection Control, oversees best practice at the Dental School, and is responsible for infection control policies and their implementation in accordance with CDC guidelines. He is the director of Dental, Dental Hygiene, Physician Assistant (PA) and Nurse Anesthesia (NA) courses at the University.

Dr. Chand is a popular speaker at many Continuing Education talks at national and international conferences. His area of expertise includes infection control and chronic disease management in the dental patient. He has been well received at the Michigan Dental Association (MDA), Michigan Dental Hygienists Association (MDHA) and OSAP (Organization for Safety, Asepsis and Prevention) Annual conference where he has been key-note speaker. Dr. Chand lives in Windsor, Canada and is associated with the Toledo School of Nursing and Schulich School of Medicine, Western University Canada.
